JURISDICTION LOOKUP GUIDE

Step 1: Navigate to the Adams County GIS Property Search Page

The Adams County Assessor GIS Property search page can be found at the following link: <u>https://gisapp.adcogov.org/PropertySearch</u>

Step 2: Type Address in Search Bar

Type the address in the search bar and click the magnifying glass on the right side of the bar.

• Note: Do not use full words for directional streets, instead use the initial. For example, use "S" instead of "South" or "W" instead of "West". Additionally, do not use punctuation in the address, only letters. For example, type "4201 E 72nd Ave" instead of "4201 E. 72nd Avenue".

Step 3: Select the Relevant Address

Click on the blue number in the "Parcel#" column for the address you are looking up. This will open a new browser window with the Assessor information for the address. In the example below, the address we are looking for belongs to Adams County.
